Henry Soper, Eagle Scout

Henry completed his Eagle Scout Project at Lake Arcadia on December 11, 2021 with a team of 28 Scout and Scouter volunteers. He sat before the Eagle Review Board and was awarded his Eagle Rank on February 16, 2022 at the age of 14. Throughout Henry's scouting journey, he has earned 62 merit badges and numerous valuable life lessons. He has had the opportunity to experience High Adventure Camps, including Boundary Waters in the summer of 2021 and Philmont Scout Ranch this summer in June 2022. Henry's parents, Katy and Jason Soper, are very proud of him for his accomplishments, and they would like to thank all of those who have supported Henry throughout his scouting years.
