Preservation Oklahoma Spring Workshop Saturday, March 19

March 19, 2022 is the scheduled date for Preservation Oklahoma's return to in-person workshops!

Stained Glass Preservation and Restoration is a 4-hour workshop and will take place at the Carriage House of the Henry and Anna Overholser Mansion, 405 NW 15th St., Oklahoma City. The time will be from 10am-2pm, with lunch and drinks included.

Get hands-on experience in restoration and preservation of vintage/antique stained glass from Tim Brown of Artistic Glass Studio in Edmond. Tim and his team are some of the leading glass restorers in the state. They are currently working on the restoration of the stained glass of our state capitol building. Visit their website for more information: artisticglasstudio.com

The workshop will give the confidence to protect and preserve stained glass for the next generation. Tickets are \$35 and can be purchased on Preservation Oklahoma's website.

Make plans to join us on March 19. Have a workshop idea? We'd love to hear it! Contact Executive Director, Chantry Banks, to chat.
